WILLIAMSTOWN POLICE DEPARTMENT POLICY & PROCEDURE NO.  <b>1.21</b>	EFFECTIVE DATE: 08/12/2021
MASSACHUSETTS POLICE ACCREDITATION STANDARDS  REFERENCED: <b>none</b>	REVISION DATE: 08/12/2021
	REVIEW DATE: 08/12/2022

### **I. GENERAL CONSIDERATIONS AND GUIDELINES**

In 2004 the Massachusetts Legislature passed Chapter 227, An Act Relative to the Placement of Newborn Infants, a temporary law which provided a mechanism for parents to voluntarily abandon newborn infants, within seven days of birth, without the abandonment itself constituting criminal neglect. The law was made permanent with passage of Chapter 86 of the Acts of 2007.

The purpose of this policy is to provide guidance to officers faced with a voluntary abandonment. This policy does not in any way prohibit police from accepting an infant or child believed to be older than seven days.

### **II. POLICY**

It is the policy of this department to ensure that infants voluntarily abandoned are received, cared for, and transferred to the appropriate social services agency.

### **III. DEFINITIONS**

- A. *Newborn Infant*: a baby seven (7) days old or younger.
- B. *Voluntary Abandonment*: Voluntarily leaving the newborn infant with an appropriate person at a designated facility.
- C. *Designated Facility*: A hospital, police department or manned fire station (the locations stipulated by the Safe Haven Law).

*D. Appropriate Person:* A person at a designated facility who is able to ensure that the newborn infant is safe (i.e., the triage person in a hospital emergency department or duty officer in a police station).

*E. Notification:* An immediate notice to be filed with the Department of Children and Families on the voluntary surrender of the newborn infant.

## **IV. PROCEDURES**
