

PARKING ENFORCEMENT

WILLIAMSTOWN POLICE DEPARTMENT POLICY & PROCEDURE NO. 5.05	EFFECTIVE DATE: 03/31/2022
MASSACHUSETTS POLICE ACCREDITATION STANDARDS REFERENCED: 61.1.13	REVISION DATE: 03/31/2022
	REVIEW DATE: 03/31/2023

ARTICLE I. GENERAL CONSIDERATIONS AND GUIDELINES

A parking enforcement program is an important part of the transportation plan for most communities. Parked cars on major thoroughfares and near intersections not only hinder the orderly flow of traffic, but they also create a hazard for traffic and pedestrians. Illegally parked vehicles in commercial areas make it difficult both for customers and for the delivery of business supplies. Denying handicapped persons’ access to designated parking spots impacts the ability of those persons to function. Parking prohibitions on state highways are generally safety-based in dealing with the safe flow of vehicular and pedestrian traffic.

This community depends upon police employees to enforce local and state traffic laws.

ARTICLE II. POLICY

It is the policy of this department that police employees shall enforce parking regulations with reasonableness and impartiality in all areas of the community.
